

Job Vacancies

Thai Language Hut is always interested to hear from qualified experienced teachers.

Presently we have the following vacancies:

Job title

Thai Language Teacher – Part-Time

Employer

Thai Language Hut

Employer description

Thai Language Hut is a small professional language school based on Sukhumvit 43 offering high quality training courses. We are proud to offer and deliver training in a creative way which allows our 'farang' customer to learn quickly whilst enjoying the learning process – the teaching at this school is customer focused. Our teaching is 1 to 1 private lessons or small private group which allow us to be flexible with teaching methods and with teaching times.

Location

Bangkok

Job description

We are looking for hard working experienced teachers who are dynamic, flexible both in terms of delivery style and times for delivery and can be trusted to do an excellent job.

The teacher will:

1. Be required to deliver training to students using our core texts in both phonetic and in Thai script. It is expected and it is the responsibility of the teacher to ensure that students make good progress through the training material.
2. With the school identify new and interesting ways to impart knowledge to students and will work with the school to add these to the portfolio of methods.
3. With the school identify new materials that add value to the teaching experience.
4. With the schools identify and work to maximize marketing opportunities to promote the school and its activities.
5. Assist the school with administration to ensure that student and teacher records are correct and up-to-date.

Experience

2-3 years
